- (a) First, the Research Project Agreement;
- (b) Second, the Terms and Conditions (this Appendix A);
- (c) Third, the Guidelines (Appendix B);
- (d) Fourth, the Application File (Appendix C).

### 2. PROCESS

2.2. The Grant Holder shall undertake the Research Project within the time frame described in the Schedule.

2.3. The Grant Holder shall not vary the Research Project submitted to the Programme in the Application File in any significant manner without the written consent of the Foundation.

2.4. Elements regarding the Research Project not listed in the Agreement may be added by mutual written agreement of the Parties.

### 3. GRANT

3.1. The "Grant" equals the amount determined by the Foundation under the Grant Amount, which corresponds to a percentage of the maximum grant value (**USD 6,000**), in consideration of the Funding requested under Section 3.8 of the Application File.

3.2. The Grant is intended to cover all research expenses directly related and essential to the Research Project, in accordance with the Guidelines and as described in the Application File, and as determined by the Foundation in the Grant Amount confirmed in the letter notifying the award.

3.3. Unless otherwise agreed by the Parties, all research expenses directly related to the performance of the Research Project, shall be paid by the Foundation. All other costs are subject to the prior written approval of the Foundation.

3.4. The Grant will be provided in accordance with the following schedule and *pro rata* of the corresponding value:

- one half after the signature of this Agreement; and
- one half on receipt of the Final Research Report to the Foundation's satisfaction.

This schedule may be adapted on an exceptional basis if most of the expenditure related to the research is planned during the first six months of the project.

3.5. In the event that the Grant has not been fully spent once the Research Project is finished, the Foundation may:

- agree with the Grant Holder to use the remaining funds for additional research or dissemination of the results within a deadline of maximum eighteen (18) months after the Start Date; or
- adjust the total amount of the Grant to the real expenses related to the Research Project.

3.6. The Grant also covers, if applicable, all permissions and/or licenses (including all related costs) to be obtained for, or granted to, the IOC & Affiliates according to Articles 6.2 and 6.3 hereunder.

3.7. Unless otherwise stated in the Research Project Agreement, the aforementioned Grant is inclusive of all taxes.

### 4. CONFLICT OF INTEREST

4.1. The Grant Holder warrants that, at the date of entering into this Agreement, no conflict of interest exists or is likely to arise in the performance of the Research Project.

4.2. If a conflict of interest arises during the term of this Agreement, the Grant Holder will immediately notify the Foundation's Contact that such a conflict exists.

### 5. PERSONAL PERFORMANCE

The Grant Holder shall personally perform the Research Project and may not delegate or name a replacement, unless he/she has received prior written authorisation to do so from the Foundation.

### 6. INTELLECTUAL PROPERTY RIGHTS

6.1 In direct or indirect relation to the Agreement, the Grant Holder shall not, without the prior written consent of the Foundation, use or authorise the use of any of the Olympic Properties (as defined by the Olympic Charter), in particular, any Olympic emblem, trademark, theme, logo, mascot or other designation suggesting that they are a sponsor or supplier of the IOC or the Foundation.

6.2. The Grant Holder warrants that, to the best of his/her reasonable and diligent knowledge, any product of the work related to and/or associated with the Research Project – including in particular any and all documents, texts, samples, still or moving images, etc. – which the Grant Holder produces, makes, devises, invents or develops within the framework of the Research Project (hereinafter the "Works") does not violate any third-party rights, in particular intellectual property rights. In case the Works contain any third-party material, the Grant Holder shall inform the Foundation and:

(i) confirm that he/she has obtained any and all permissions for the use of such third-party material in the Works;

(ii) confirm that he/she has obtained for, or granted to, the IOC & Affiliates any and all permissions and/or licenses for the use of such third-party material (as contained in the Works) for Institutional Purposes, with such permissions and/or licenses being non-exclusive, worldwide, royalty-free and perpetual;

(iii) upon request, provide to the Foundation a copy of the written permissions and/or licences referred to in paragraphs (i) and (ii) of Article 6.2 above.
