2022-2023 Selection

04.11.2022

All the conferences listed in this document are organised by universities or institutions involved in the Olympic Movement and include in their programmes content analysing any aspect related to Olympism, the Olympic Games and/or the Olympic Movement with a humanities or social sciences perspective.

Considering the current circumstances with the COVID-19 pandemic, the IOC Olympic Studies Centre will update this list as soon as new information will be communicated by the organisers, especially about online participation.

We invite you to keep us informed about any conference missing from the list. Please send all related information to studies.centre@olympic.org.

Thank you!
