The Olympic Studies Centre

Advanced Olympic Research Grant Programme

Part I
Expression of Interest (EOI) 2027/2029 Award

1. Applicant information

Please indicate your application type:

- ◯ Individual Researcher (IR)
- ◯ Principal Investigator (PI) of a team project

1.1. Contact details (IR or PI)

Family Name	Given Name
Email address	University name and country

Current academic position and main areas of expertise (as related to the application)

Link to Faculty website/academic profile, or Google Scholar, Scopus or ORCID (optional)

Academic degree	Proposed FTE commitment to the project (e.g. 1 day per week, 0.2 FTE, etc.)

Would you like to be part of our academic community and being added to our mailing list in accordance with the International Olympic Committee Privacy Policy? This will enable you to receive updates concerning Olympic studies initiatives. You can unsubscribe at any time.

- ◯ Yes
- ◯ No
- ◯ I am already a subscriber

In addition, should you wish to receive the Olympic Studies Centre's quarterly e-newsletter, please sign up here.

1.2. For team projects only – List all research team members

Full name	University and country	Academic position (*)	Main areas of expertise (as related to the application)	FTE commitment	Subscription to OSC mailing list(**)

*Link to Faculty website/academic profile, or Google Scholar, Scopus or ORCID (optional)

** If your co-investigator(s) has(ve) not already signed up to the OSC mailing list, please indicate if they would like to be included to receive updates concerning Olympic studies initiatives and news from the OSC, in accordance with the International Olympic Committee Privacy Policy. They can unsubscribe at any time.

2. Research project overview

2.1. Title of research project

2.2. Brief summary of the research proposal, including main objectives or research questions (max. 300 words)

2.3. IOC priority field/s of research addressed by the research proposal

List at least one of the IOC priority fields of research, published under point 1 of the "Advanced Olympic Research Grant Programme - Objectives, Rules and Guidelines" document

2.4. Relevance of the research proposal

List up to three benefits (outcomes) resulting from the project's activities and outputs

3. Methodology and project timeline

3.1. Brief description of the intended methodology (max. 300 words)

3.2. Gantt chart for project timeline (attach or insert below)

4. Funding

4.1. Funding requested from the OSC

USD ..... (max. USD 40,000. Refer to the Grant Programme Rules for the expenses covered)

4.2. General overview of the expenses

5. Collaboration with external partners (optional)

Partner entities	Role and contribution

6. Peer review

Identify two academic referees with expertise in the field. Referees must not have collaborated with the applicant(s) in the following areas in the last three years: research collaborations, joint publications, student, teacher or mentoring relationships, employment arrangements, and other relationships that might, or might be seen to, impair fair and impartial judgement.

First Referee

Full name, email address and name of university

Second Referee

Full name, email address and name of university

7. Declaration

I confirm that the information provided is accurate and that I am interested in submitting a full application by 12 April 2027, if required to do so by the OSC.

Signature:

Date:

8. Appendices

Appendix 1: Current and official recognition of employment

Include confirmation of employment and academic/research status, validated by the IRs university on official institutional letterhead. In the event of a team application, this document must be provided for the PI and each member taking part in the project.

☐ Done

Appendix 2: Curriculum vitae

Provide a brief curriculum vitae (max. 2 pages) for the IR and, in the event of a team application, for the PI and all research team members. Include any awards that are relevant to the application.

☐ Done

For the criteria of eligibility, length and amount of grants, and further information about this Grant Programme, please consult the Programme Announcement: "Advanced Olympic Research Grant Programme – 2027/2029 Edition" available on our website or contact us at studies.centre@olympic.org.

To ensure the visibility and sustainability of the Grant Programme, the OSC may publicly disclose, including by publishing, on its website and in academic newsletters, the list of projects it has supported, including basic information about the projects and grant recipients (given name, family name and university name).

To find out more about the activities and collections of the **Olympic Studies Centre**, please consult our webpages.

PRIVACY NOTICE

In order to apply to and to benefit from the Advanced Olympic Research Grant Programme, applicants/PIs will need to provide certain personal data (in particular given name, family name, academic information, telephone number and email address), certain details regarding their referees and authorised university representatives (in particular family and given names, country, function, university and university department, telephone number and email address) and other information (collectively "Applicant Data").

Prior to submitting any personal information on behalf of any third party (co-applicants in the case of team applications, referees and authorised university representatives), IRs/PIs are responsible for informing them, obtaining their authorisation to provide their details and ensuring that they understand the present notice.

Applicant Data will be managed and processed by the Olympic Studies Centre (the "OSC"), which is part of the Olympic Foundation for Culture and Heritage (the "OFCH"), and the International Olympic Committee (the "IOC").

It is necessary for the OFCH and/or the IOC to process Applicant Data for the following purposes:

- Assessing the Grant Programme EOI/Full Application
- Confirming the applicant's eligibility
- Awarding a grant to selected applicants
- Keeping records and establishing statistics and other studies related to the Advanced Olympic Research Grant Programme and other OSC activities
- Sending newsletters and other communications (subject to the applicant's consent in Clause 1.1 and 1.2 of this EOI)
- Any other purpose to which the applicants may expressly agree.

Where necessary for the above-mentioned purposes, Applicant Data may be shared between the OFCH and the IOC with the IOC's affiliates (IOC Television & Marketing Services SA, Olympic Broadcasting Services S.L., Olympic Channel Services S.L.) and with members of the Selection Committee appointed by the OSC and the Peer Reviewers. The OFCH and the IOC may also share Applicant Data with third parties which provide IT services and other services to the OFCH and/or the IOC. Some recipients, particularly the Selection Committee appointed by the OSC and the Peer Reviewers, may be based in countries that, like the United States of America, do not provide in their

laws for a level of protection of your privacy equivalent to that applied within the European Economic Area and Switzerland.

The OFCH and/or the IOC will retain and process your personal data for no longer than necessary for the above-mentioned purposes and as authorised by the applicable laws, and will apply appropriate technical and organisational measures to protect Applicant Data against destruction, loss, theft or unauthorised processing.

The OFCH and the IOC will process Applicant Data based on the following grounds: necessity to perform the review of the candidature and grant-related agreement, their legitimate interests to conduct and develop the Advanced Grant Programme and the applicant's consent for sending newsletters. The Applicant Data you provide to the OFCH and/or the IOC must be accurate, complete and up to date. If any change occurs, it is your responsibility to contact the OFCH and/or the IOC to update your Applicant Data.

You have the right, in accordance with the law, to request access to your data, to request the deletion or correction of any erroneous or incomplete data, and to object its use. For these purposes or for any question related to the processing of your Applicant Data, contact the OFCH and the IOC at the following address: privacy@olympic.org.

Any complaint relating to the processing of personal data that has not been addressed within a reasonable timeframe can be made to the Office of the Federal Data Protection and Information Commissioner, Feldeggweg 1, 3003 Bern, Switzerland, info@edoeb.admin.ch.
