2) ACCREDITATION

Media representatives interested in covering the Dakar 2026 Summer Youth Olympic Games should submit their accreditation application on the Media Registration Portal that will open on 13 April 2026.

The application period is **from 13 April to 12 June 2026**, until 23:59 GMT.

The registration is open for rights-holding and non-rights holding media, written press and photographers, as well as writers and photographers working for publications and/or websites of National Olympic Committees and International Federations.

NOC press attachés will be accredited as NOC E and should follow the NOC accreditation process. Only bona fide press attachés working in that role for their NOC can receive an NOC E press attaché accreditation, and these accreditations should not be allocated to any other person working in another role.

Please also note that photographers working for NOCs at the Dakar 2026 YOG should not be accredited as NOC E. Writers and photographers working for NOCs should apply for an "E" press accreditation using the above-mentioned Media Registration Portal.

Please be aware that no Youth Olympic Accreditation Cards (YOACs) will be issued or delivered prior to the YOG. Media representatives will pick up their YOAC upon arrival in Dakar at designated accreditation facilities. In order for the YOAC to be issued, the same passport/photo ID submitted for the accreditation application must be presented.

3) ENTRY VISA

Senegal usually operates a three-category visa system for foreign nationals, each subject to specific entry and visa requirements, detailed as follows: cf. Annex 1

Category A	Category B	Category C
Countries that do not require a visa to enter Senegal	*Countries that require a visa on arrival at the DSS airport (no pre-approval by the Senegalese Ministry of interior required)*	*Countries that require a visa prior to departure (approval of the Senegalese Ministry of Interior)** *Participants holding passports from Category C countries must obtain a visa prior to travel from the nearest Senegalese embassy or consulate. The list of countries and their relevant category can be found in **Annex 1** at the end of this document.

No pre-valid accreditation cards will be sent prior to the Games. All participants will receive an invitation letter to identify them as Games participants and allow them to use YOG transport upon arrival in Senegal. For Category B and C countries, an e-Visa will also be issued by the Ministry of the Interior for entry into Senegal.

For detailed information on the accreditation and visa process, please refer to the Media Accreditation Guide via the Media Registration Portal.

Passport validity
