SUBMISSION PROCESS

Competition Uniform submission for this sport is MANDATORY.

The IOC has set up a new tool for items to be reviewed and offer assistance. The new Uniform Submission tool is now live on RELAY, where uniforms can be submitted to the IOC for review.

If you are an NOC who does not have access to RELAY and needs access to submit the uniforms, please email nocnet@olympic.org

Once a submission has been made through the IOC’s online submission tool, NOCs will be notified of the “reviewed” or “non-compliant” status of their submitted items.

An approval and verification process by the BWF is necessary for the following elements:

Registration and verification of “preferred colours of shirts” as mandatory for the opposing players in each match to wear significantly different colours from each other. It is also mandatory for doubles partners to wear the same colour, and for opposing pairs in each match to wear significantly different colours from each other. Preferred colours of shirts need to be registered before the Games.

Registration and verification of names on players’ shirts to ensure consistency with the names on scoreboards.

For more detailed information please refer to BWF Regulations.
