The IOC has set up a new tool for items to be reviewed and offer assistance. The new Uniform Submission tool is now live on RELAY, where uniforms can be submitted to the IOC for review. If you are an NOC who does not have access to RELAY and needs access to submit the uniforms, please email nocnet@olympic.org.

As in previous Games, while the process is not mandatory for this sport, it is still highly encouraged to submit uniform for review to minimise any possible Games-time issues. Once a submission has been made through the IOC’s online submission tool, NOCs will be notified of the “reviewed” or “non-compliant” status of their submitted items.

To minimise any possible Games-time issues, the design of the competition uniform should be submitted to the IFSC in writing at the following address: sport@ifsc-climbing.org. Refer to Section 14 of the General Guidelines. Before the competition, the competition uniform and sport equipment items will undergo a mandatory check by the IFSC.
