SUBMISSION PROCESS

The IOC has set up a new tool for items to be reviewed and offer assistance. The new Uniform Submission tool is now live on RELAY, where uniforms can be submitted to the IOC for review. If you are an NOC who does not have access to RELAY and needs access to submit the uniforms, please email nocnet@olympic.org.

As in previous Games, while the process is not mandatory for this sport, it is still highly encouraged to submit uniform for review to minimise any possible Games-time issues. Once a submission has been made through the IOC’s online submission tool, NOCs will be notified of the "reviewed" or “non-compliant” status of their submitted items. Before the competition, the IJF officials control the homologation mark on each piece of competition clothing. The conformity of the IJF unforgeable optical label is verified by a UV lamp. A word “IJF” behind JUDOGI or a vertical line appears in the “O” of APPROVED and JUDOGI and in the circle of the IJF logo. A non-compliant judogi or belt will be denied.

Homologation Marks

Additional IF Specifications

Section 09

Homologation Marks

The IJF approved label [ ] must appear once on each piece of clothing. It is represented by an unforgeable optical label of 15.75cm² (3.5cm × 4.5cm) certifying that the judogi complies with the IJF current rules. Only one label is permitted per item. Only the judogi having successfully passed the tests by the official laboratories and approved by IJF may be used. The label must be fixed:

For the jacket
IJF approved label (red color) on the front side and at the bottom of the jacket, on the left side (jacket is folded on the right side), near or in the reinforced zone.

For the pants
IJF approved label (red color) on the front side and the top of the pants, close to the middle.

For the belt
IJF approved label (blue or red color) at one of the two edges of the belt.

The athlete illustration is for illustrative purposes only. If no identification is mentioned, there is no IF specific regulation.
