No Olympic Content (including its availability within any News Programme) may be advertised, marketed or promoted on any platform, including on Television, Radio, the Internet or any other interactive media and/or wireless devices (including on any websites, apps or social media accounts) or otherwise without the prior written authorisation of the IOC. In particular, Olympic Content, and any News Programme containing Olympic Content, must not be used, marketed or promoted in a way that, in the IOC's view:

- a) suggests, creates or implies any official or commercial association with the IOC, the Games, Paris 2024 or the Olympic Movement where no such association actually exists; or
- b) suggests or implies that Non-MRHs, including, without limitation, their channels, services, News Programmes and other programmes, are recommended, approved or endorsed by the IOC, the Games, Paris 2024 or the Olympic Movement. Subject to the foregoing:
 - i) Third-party advertisements or promotions that are Distributed before, during or after any News Programmes incorporating Olympic Content pursuant to these NARs are permitted. platforms and devices. This includes the prohibition of the Distribution, as well as any other exploitation of Olympic Content, via any interactive services, including on services such as "news active" or "sports active" services, or any other related video-on-demand services, which would allow the viewer to make a viewing choice on a channel and to thereby view Olympic Content at times and in programmes other than as specifically permitted in the above-referenced Sections.

10. GEO-BLOCKING AND OTHER SECURITY MEASURES

Without limiting, in particular, any provisions of Sections II and III, any authorised use of Olympic Content, whether pursuant to these NARs, any applicable law or regulation (e.g. "fair dealing" provisions) or otherwise, via any platform, including, without limitation, via Television, Radio, the Internet or any other interactive media and/or wireless platforms and devices,

Failing this, E Accredited Media's accreditation and any other access to any Olympic Venues, as well as further access to Olympic Content (for the duration of the Games and future editions of the Olympic Games), may be revoked. Such actions by the IOC shall be without prejudice to possible legal action and/or claim for damages by the IOC.
